

Family Focus Resources Project

Background

Family Focus is an officially registered, Peruvian, inter-denominational, non-profit making organization. It aims to support the evangelical church through the production and distribution of resources for evangelism, discipleship and training with an emphasis on the upholding of Biblical family values. The long term aim is that the organization be self sustaining. In the short term investment is needed to help it get established. This project is to raise funds to do just that.

Aims and Progress so far

The Project will expand the impact of the Family Focus ministry which provides materials for evangelism, discipleship, worship and Christian education for children and families. In the short term the focus remains on Arequipa, Peru's second city, but the goal is to make these materials available nationally as soon as an appropriate distribution network can be established.

Progress as of June 2006:

- ♦ Jane is now working 30 hours per week.
- ♦ Two inkjet printers (one A3 and one A4) using economical refillable cartridges and compatible ink are being used to print song sheets and other visual aids.
- ♦ A store room is being rented
- ♦ New Life in Christ volume 3 and an evangelistic tract for Easter have been printed.

Aims as of June 2006:

- ♦ Set up and maintain a national database of contacts for information and promotion of resources, primarily by email.
- ♦ Set up and maintain a web site for general information and to enable contacts gained through evangelistic leaflets to find a local evangelical church.
(www.enfoquefamiliar.org)
- ♦ Develop, promote and run a number of seminars on a range of topics to be offered to the wider evangelical community.

Funding Needed

The total cost of carrying out the above aims is estimated at £11,600 or \$21,500.

How can I help?

If you would like to help Family Focus encourage Peruvian believers to be salt and light and therefore better witnesses for Christ, please pray for wisdom in the selection of committed mature believers to be involved in both a paid or voluntary capacity and for the best materials to be made available.
